Edition De La Main Fleurie, 2004. Hard Cover w/ Box Case. Condition: New. John James Audubon (illustrator). Limited Edition.. 2004 Limited Edition of 2500 copies . This portfolio is presented along with key notes and correspondence by Audubon and a biographical intorduction, creating an impression of the man himself and his development as an ornithologist. Printed in a 14-point font on 200g deckled cream stock, 22.1/2 x 14.1/2 inches open, and French bound (which is to say unbound) in an olive green linen clamshell case, each copy is numbered from a printing of only 2500, and illustrated with 48 paintings by the artist, including some from "Birds of America" and also early works recently rediscovered in the National History Museum of La Rochelle. The real piece de resistance here is the portfolio of individual reporductions, identical to those in the text. With a printed area of up to 10.1/4 x 13.1/2 inches, on heavtweight 300g stock with a sheet size of about 11.1/2 x 14.1/2 inches, these prints can be leafed through, removed for consideration, or framed as art. Condition : NEW , this can only be sold in North America with extra insured shipping. Size: Folio - over 12" - 15" tall. Book.
