WORLD OF WATERMARKING

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Digital Rights Management for JPEG Images | In this world where media owners are desperately trying to protect their images from being manipulated & illegally used, it is often desired to obtain a robust digital watermarking method that does not distort the digital image, even if this implies that the image is slightly expanded in size before final compression. The aim of this work was to develop a new algorithm to embed...
